IN SUPPORT OF:

A Lifeline to Cancer Support

Wellspring is a non-profit, charitable organization offering psychological, emotional and social support to individuals living with cancer and their loved ones. Wellspring provides an innovative and creative approach to the overall care of the whole person: our aim is to improve quality of life. It is a cooperative, community effort, based on the needs of patients, families and caregivers working within and complementing conventional medical treatment. Wellspring offers its programs and services in a non-institutional, non-residential, warm and welcoming environment. Wellspring is open to all, without referral and at no charge.
